## BIOGRAPHY

Vincent Siravo, professionally known as VIO. is an electronic music producer with origins in the underground deep dub scene of Denver, CO. Currently based in Daytona, Florida, he blends the infectious swagger of UK garage with the haunting depth of 140 soundscapes. VIO.'s boundary-pushing sound respects the genre's roots while offering a fresh perspective that resonates with both veteran fans and new listeners alike.

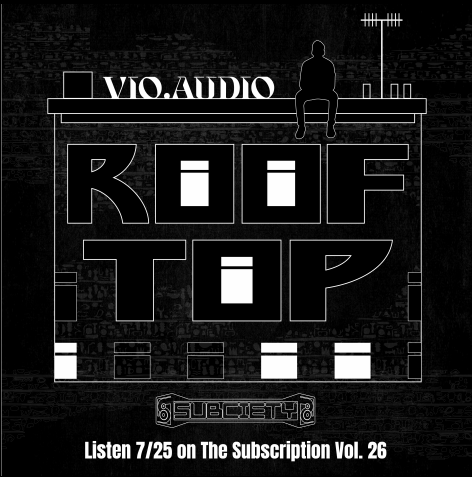

He has showcased his art in notable venues across the country, including Cervantes Masterpiece Ballroom and TK Lounge, earning him support from industry heavyweights such as Truth, Caspa, Pathway, Chief Kaya, Zen Selekt, and more. Known for electrifying live performances, VIO. has taken the stage at premier events like Sound Haven, Rendezvous, Home Bass, and The Love Burn. His relentless drive to innovate and refine his craft has solidified his place as a standout force in the bass music scene.
